

What are the program objectives?

- Convey the positive values that the game of golf can provide including honesty, courtesy, and fairness.
- Improve golf skills in a safe learning environment.
- TO HAVE FUN AND LEARN!

When:

There are 5 classes per session, each class is from 12pm-1pm Tuesdays, Thursdays, and Fridays (see other side for Session Dates)

Cost:

Each 5 day session costs **\$99** per junior.

Juniors are generally grouped by age and experience. The safety of the juniors is our number one priority, enrollment for each session will be limited.

Parents are encouraged to discuss proper behavior expected from their children prior to each session.

PAR 4 JUNIOR PROGRAM

Our PAR 4 Junior Program is for junior golfers ages 10-14, who are interested in advancing their golf skills. We will provide them with the instruction and confidence to learn the game of golf. Concepts in the Par 4 program are more consistent with becoming a golfer. Concepts include etiquette, scoring, golf course care, and course management. We teach the juniors how to practice to improve their golf skills, and in five days give them a basic idea of the game of golf.

What if we need clubs?

Flatirons has a limited supply of 4 club starter sets, available on a first-come first-served basis. These sets are free of charge, but the golf shop must be notified prior to the session.

What if the weather is bad?

In the case of bad weather, a makeup class will be provided on the second Friday of each session.

What equipment is needed?

Spike-less golf shoes or tennis shoes should be worn. Soccer, baseball, or other types of turf shoes should not be worn. All other necessary equipment can be provided if needed including, tees, balls, and a limited supply of clubs.

How do I register?

The program is open to boys and girls ages 10-14. Send the completed form to the golf shop with payment or register in the golf shop or online at www.flatironsgolf.com
